

About Messianic Jews in Our Days

These writings are especially interesting in light of the recent historic events relating to the Messianic Jews, Hebrew Catholics, and the Catholic Church.

These writings represent an extraordinary prayer initiative, that consist of several brief 1-3 page periodic praise and worship comentaries authored primarily by Messianic Jewish Rabbi Stuart Dauermann and Catholic clergy Fr. Carlo Colonna s.j.

Christian, Hebrew Catholics, and Messianic Jewish readers are finding these writings uniquely inspirational realizing that after the great division of 1,700 years ago, from roughly the year 300 to the present, the two most ancient and closely related faiths are now beginning to come together before our own eyes...through this prayer initiative giving the Jewish perspective (as well as the Church's) that hasn't ocured since the first two centuries when the Church consisted of predominantly Jewish people.

The praise and worship comentaries of this website primarily includes some authered by Rabbi Stuart Dauermann and Fr. Carlo Colonna s.j. The original version of this praise and worship comentary originated in August of 2013 in which Fr. Carlo emailed approximately 150 participating individulals every two to three weeks.

Since August 15'Th These Rabbi Dauermann/ Fr. Colonna praise and worship comentaries were inserted into Deacon Jack Sullivan's website along with some other recent commentaries written by others who were inspired to send them to us. The original version of this praise and worship comentary originated in August of 2013 in which Fr. Carlo emailed approximately 150 participating individulals every two to three weeks.
